Dear Mr. Bray,

I am happy to inform you of the recent establishment of the CENTER FOR UFO STUDIES here in the Chicago area. The attached preliminary information sheet tells a little about it.

Referring back to your letter of November 2, 1971, the CENTER will accept reports from the general public but hopefully these will not consist of too many vague lights in the night sky. And of course Canadian reports will be welcome. If you can persuade the Canadian Press to publicize the existence of the UFO CENTER that would be fine. We hope to make it truly a world-wide focal point for UFO research.

With all good wishes,

Sincerely,

J. Allen Hynek
