

From the desk of Maj.Ret. VonKEVICZKY:

Dear Arthur:

DEC -5 1981

Thanking you statement on our Presid'l Memo and it is my special honor to present you the highest acknowledgement the contents of it, granted by the U.S. Nat'l Security Council.

If you wouldn't know the General is the Chief Military Adviser of the White House and the Council.

We are recently considering to extend the U.S. national defense margin of safety to the international defense margin to call by one nation an International Congress with representation of the Military Forces, Scientific Community and the UFO research as has been refered to our President.

Your accidental view would be greatly appreciated.

Friendly and cordially yours
