Subject: The Current - Request

Hi

I'm a producer with CBC Radio's The Current. I wanted to see if someone from DoD would be available for an interview tomorrow morning on our show between 7:30am-8:00am ET to talk about the Canadian government's involvement in researching unidentified flying objects.

The Pentagon confirmed this weekend that it runs a program to investigate UFOs, we would like to know whether Canada has a similar program.

If no one is available for an interview tomorrow could you please send a statement regarding this issue.

Thanks
