Dear Contributing Associate,

Thank you very much for your recently received contribution to the Center for UFO Studies. We are grateful for your financial support.

\$35.00 THANK YOU !!
Your gift of ~~\$30.00~~ qualifies you as an Associate of the Second Kind in this international association of scholars and researchers into the subject of the UFO Phenomenon. This is the second level for participation in this study by scientists and specialists throughout the world. Twenty percent of your gift helps provide the two bi-monthly periodicals, INTERNATIONAL UFO REPORTER and CUFOS ASSOCIATE NEWSLETTER, which we will send to you on alternate months for the next year as our THANK YOU for your support and to share with you the interesting results of our current investigation of important reported sightings.

You may decide to increase your contribution in order to move to another level of association, as explained in the enclosed material. Your benefit periodicals will be adjusted accordingly, if you do. We hope you will share your periodicals with your interested friends and encourage them to join you in supporting our work.

Please encourage those who may have had what may have been UFO sightings to write to us for sighting report forms. Important cases are assigned to our field investigation volunteers throughout the world for personal examination.

You may wish to extend your participation to other activities in your area. If so, please write for details, enclosing your resumé of professional and academic background or specialization. This is discussed in the enclosure. Independent study materials are available from our publication inventory.

Your contribution will help pay for the investigation, study and filing of UFO sighting reports to help bring about a better understanding of the worldwide UFO Phenomenon and the sharing of this information with serious students throughout the world.

Sincerely,

John P. Timmerman
Chairman
