

Sept 29. Feucht bei Nürnberg, West Germany

A great day of my crusade. Friendly coffee-chat at the home of the renowned scholar "the father of astronautics and rocketry" Prof. Dr. Ing. Hermann OBERTH. He is 89 years old in excellent spiritual and physical condition. Sixteen years ago Professor Oberth and Karl L. Velt assisted on the 7th International World Congress of UFO Scientists and Researchers (Nov 3-6, 1967) the first INITIAL BREAK THROUGH in UFO research - the historical MAINZ UFO RESOLUTION, the strongest action against the governmental misrepresentation of the public on the UFO problem.
