Peter Jankowitsch, Ambassador Extraordinary and
Plenipotentiary of Austria, Chairman of the U.N.
Committee on the Peaceful Uses of Outer Space
809 United Nations Plaza, 7th floor
New York, N.Y., 10017

Your Excellency:

Upon repeated request on our Memorandum submitted to you and
His Excellency Secretary General on February 3, 1988, at long last on
December 4th, 1988, we received the enclosed confirmation from the
Chief of the Outer Space Affairs Division.

We are sorry to mention, it is a documented fact that the alien
(UFO) forces created international security problem from 1966 escalated
to a POTENTIAL THREAT to the nations, and recently to a DECLARATION OF
SPACE WAR, agreed on the Geneva Summit (Nov. 1985) by the Heads of U.S.A.
and USSR.

To prevent in time a fatal "Star"/Space War we were constrained
to declassify those United Nations' documentations with historical
significance, which should be warn Your Excellency and the Secretary
General of the United Nations for action to prevent humanity's Space
War suicide.

On behalf of our associated organizations, assuring you of my
honesty and sincerity, we remain

Most respectfully yours,

Colman S. VonKevetzky
