

Dec. 21, 1981

Dear Mr. Bray,

Thank you for your order. I have shipped all but the "Foreign UFO Sightings in U.S. Files" today, but that has one teletype misplaced, and when I find it again, I will have all printed and send off yours. Another problem is the faintness of the lettering, but then, we all have problems...

I have included a new catalog however.

Mimi Hynek
