

Since our interaction with the aliens began we have come into possession of technology beyond our wildest dreams. A craft named Aurora exists at Area 51 which makes regular trips into space. It is a one stage ship called a TAV (trans atmospheric vehicle) and it can take off from the ground using a 7 mile runway, go into high orbit, return on its own power, and land on the same runway. We currently have and fly atomic powered alien type craft at Area S-4 in Nevada. Our pilots have made interplanetary voyages in these craft and have been to the Moon, Mars, and other planets aboard these craft. We have been lied to about the true nature of the moon, the planets Mars and Venus and the real state of technology that we possess today at this very moment.

There are areas on the Moon where plant life grows and even changes color with the seasons. This seasonal effect is because the Moon does not, as claimed, always present the exact same side to the earth or the sun. There is an area that wobbles in and out of darkness on a seasonal basis and it is near this area that the plant life grows. The Moon does have a few man made lakes and ponds upon its surface and clouds have been observed and filmed in its atmosphere. It possess a gravitational field and man can walk upon its surface without a space suit breathing from an oxygen bottle after undergoing decompression the same as any deep sea diver. I have seen the photographs and some of them were actually published in the book "We Discovered Alien Bases On The Moon" by Fred Steckling.

In 1969 a confrontation broke out between the human scientists and the aliens at the Dulce underground lab. The aliens took many of our scientists hostage. Delta forces were sent in to free them but were no match against the alien weapons. 66 of our people were killed during this action. As a result we withdrew from all joint projects for at least 2 years. A reconciliation eventually took place and once again we began to interact. Today the alliance continues.

When the Watergate scandal broke, President Nixon had intended to ride out the storm confident that he could not be impeached. MJ-12, however had a different agenda. The intelligence community rightfully concluded that an impeachment trial would open up the files and bare the awful secrets to the public eye. Nixon was ordered to resign. He refused and so the first military coup ever to take place in the United States was promulgated. The Joint Chiefs of Staff sent a TOP SECRET message to the Commanders of all the U.S. armed forces throughout the world. It stated, "Upon receipt of this message you will no longer carry out any orders from the White House. Acknowledge receipt." This message was sent a full 5 days before Nixon conceded and announced publicly that he would resign. I personally saw this message. When I asked my commanding officer what he would do as obviously the order violated the Constitution, I was told, "I guess I will wait to see if any orders come from the White
