Committee on the Peaceful Uses of Outer Space
Will be delivered on January 1988

CONFIDENTIAL

The Mighty Powers' declared confrontation to the Extra-
terrestrial Galactic Powers' earthbound operation, ex-
horts the decades long disregarded U.F.O. problem a s
PRIORITY AGENDA of the United Nations.

Your Excellency:

On September 21, 1987, the President of the United States of America, Ronald W. REAGAN, in his address to the 42nd Session of the United Nations General Assembly, prudently warned the nations on the global defensive and offensive problem, created by the Extraterrestrial (UFO) Forces, with the following account: "... I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world." (Exhibit # 1.) This alertness was related his confidential accord with Gen. Sec. Mikhail GORBACHEV during their Geneva Summit (Nov. 1985), as recognized by the President on Dec. 4, 1985, when he publically declared: "... I don't suppose we can wait to some alien race to come down and threaten us. But I think between us we can bring about that realization." (Exhibit # 2.) (Upon ICUFON's with military documentations reinforced UFO Memorandum, the National Security Council and President Reagan confirmed also on Nov 21, 1981, the UFO FORCES' "THREAT". (Consult Exhibit # 3.)

On February 16, 1987, General Secretary Mikhail GORBACHEV of the Central Committee of the Communist Party of the Union of Soviet Socialist Republics, "glasnostly" revealed before the Gala Meeting in the Kremlin, the fairful reality beyond their COVERT UFO AGREEMENT: "At our meeting in Geneva, the U.S. President said that if the earth faced an invasion by extraterrestrials, the United States and the Soviet Union should join forces to repel such an invasion. I shall not dispute the hypothesis, though I think it's early yet to worry about such an intrusion." (Exhibit # 4.)

These frightful statements uttered by the world's mightiest space exploring powers, were not only the attestation of the UFO FORCES' MILITARILY VERIFIED EXISTENCE, but also of their POTENTIAL THREAT PROBLEM TO THE ENTIRE WORLD, generated by our decades-long repulsive armed confrontation. (Consult DOSSIER C. and D.)

Your Excellency: as a logical conclusion of the above, when you compare it to your esteemed Government's National Defense CLASSIFIED FILES on the UFOs operation, you should realize, there is no doubt that the covert intentions of the United States SDI (Strategic Defense Initiative) alias "STAR WAR", and the Soviet Union "STAR PEACE" message for the United Nations (June 13, 1986), should serve in the reality THE OUTER SPACE DEFENSE OF OUR CELESTIAL BODY!
