Dear Ms. Ross:

I am writing to let you know that I seem to have been cut off your mailing lists and I wonder what happened as I have not received a Newsletter since September.

In Dr. Hynek's last letter to me on August 31st, he said he would shortly be sending me promotional material for his new journal, "International UFO Reporter". I have not received this, and I understand the first issue of the journal is now off the press, according to a friend. I am very anxious to obtain this new publication right from the first issue.

Enclosed is my cheque for \$10.00 to cover my 1977 contribution to CUFOS. Please keep my name active on your mailing list.

I will be grateful if you will look into the above matters for me and send along all the material which should have reached me, but didn't.

Thank you for your assistance.

Yours sincerely,

Arthur Bray.
