

During the years following World War II the government of the United States was confronted with a series of events which were to change beyond prediction its future and with it the future of humanity. These events were so incredible that they defied belief. A stunned President Truman and his top Military Commanders found themselves virtually impotent after having just won the most devastating and costly war in history. The United States had developed, used, and was the only nation on earth in possession of the Atomic Bomb which alone had the potential to destroy any enemy, and even the Earth itself. At that time the United States had the best economy, the most advanced technology, the highest standard of living, exerted the most influence, and fielded the largest and most powerful military forces in history. We can only imagine the confusion and concern when the informed elite of the United States Government discovered that an alien spacecraft piloted by insect-like beings from a totally incomprehensible culture had crashed in the desert of New Mexico.

Between January 1947 and December 1952 at least 16 crashed or downed alien craft, 65 alien bodies, and 1 live alien were recovered. An additional alien craft had exploded and nothing was recovered from that incident. Of these incidents, 13 occurred within the borders of the United States not including the craft which disintegrated in the air. Of these 13, 1 was in Arizona, 11 were in New Mexico, and 1 was in Nevada. Three occurred in foreign countries. Of those 1 was in Norway, and the last 2 were in Mexico. Sightings of UFOs were so numerous that serious investigation and debunking of each report became impossible utilizing the existing intelligence assets.

An alien craft was found on February 13, 1948 on a Mesa near Aztec New Mexico. Another craft was located on March 25, 1948 in Hart Canyon near Aztec New Mexico. It was 100 feet in diameter. A total of 17 alien bodies were recovered from those two craft. Of even greater significance was the discovery of a large number of human body parts stored within both of these vehicles. A demon had reared its ugly head and paranoia quickly took hold of everyone then 'in the know'. The Secret lid immediately became an Above Top Secret lid and was screwed down tight. The security blanket was even tighter than that imposed upon the Manhattan Project. In the coming years these events were to become the most closely guarded secrets in the history of the world.

A special group of America's top scientists were organized under the name Project Sign in December of 1947 to study the phenomenon. The whole nasty business was contained within the shroud of secrecy. Project Sign evolved into Project Grudge in December of 1948. A low level collection and disinformation project named Blue Book was formed under Grudge. 16 volumes were to come out of Grudge including the controversial "Grudge 13" which I and Bill English saw, read, and revealed to the public. "Blue Teams" were put together
