San Diego 16, California.

Dear Sir:

Thank you for the literature which you sent to me concerning the BSRA. This has been read with great interest.

I note in your article "Nineteen Paragraphs (Ultrasonics and the Aeroforms)" that you will provide information concerning the source of the Etheric explanation of UFO's to those requesting it.

It would be very much appreciated if you would send this information on to me, please.

Yours truly,

A.R. Bray
