

translates into anyone they choose, will be rounded up and will be placed in concentration camps which already exist throughout the country. They are each 1 mile square. Are the people whom they intend to place in these concentration camps destined to make up the reported "batch consignments" of slave labor needed by the Space Colonies? The media, radio, tv, newspapers, and computer networks will be nationalized and seized. Anyone who resists will be taken or killed. This entire operation was rehearsed by the government and military in 1984 under the code name REX-84 and it went off without a hitch. When these events have transpired the SECRET GOVERNMENT and/or ALIEN takeover will be complete. Your freedom will never be returned and you will live in slavery for the remainder of your life. You had better wake up and you had better do it now.

Phil Klass is an agent of the CIA and this was stated in the documents which I saw between 1970 and 1973. One of his jobs as an aviation expert was to debunk everything to do with UFOS. All military commanders were instructed to call him to gain information on how to debunk and/or explain UFO contacts and/or sightings to the public and/or the press if and when the need arose.

William Moore, Jaimie Shandera, and Stanton Friedman are either witting (with knowledge) or unwitting (being used without knowledge) agents of the secret government. I prefer to believe that they are unwitting although William Moore's reported use of a Defense Investigative Service ID card and his reported self confession to Lee Graham that he was an agent of the government makes me seriously doubt it, if the reports are true. Lee Graham called me at my home, and when asked, he confirmed that Moore had indeed done this.

Stanton Friedman has told me and many others that years ago he "helped develop a nuclear reactor, to power an aircraft, that was the size of a basketball, was clean, turned out hydrogen, and worked like a dream". His words not mine. The only fuel which could go into such an engine and produce hydrogen as a by-product is water and that is precisely what at least one type of alien craft runs on, nuclear energy and water. The only place in the universe at that time to get such technology was from the aliens. Is he really unwitting? I do not know. He was a member of the Moore, Shandera, and Friedman research team and it was they who implemented the MAJESTIC TWELVE contingency plan.

In the documents which I saw between 1970 and 1973 names of individuals were listed who were to be targeted for recruitment in order that the contingency plan known as MAJESTIC TWELVE could be introduced to the public by persons known and respected by the public. Bruce Macabee, Stanton Friedman, and William Moore were among those listed. I do not know if the recruitment actually took place or not. I do know that the subsequent events do not seem to indicate that Bruce Macabee is involved but the actions of Stanton Friedman
