

May I ask you to do two things:

1. If you are due to renew but have delayed doing so, please do it now, using your renewal form. We are not asking for advance renewals, but only for those members who have let their membership lapse, or almost lapse, to renew now so that we do not have to send additional notices. If you have misplaced your renewal form, simply send a check or money order marked "Renewal."

2. If at all possible, send a tax-deductible contribution*, which will be used as follows:

A) To continue a minimal operation for the first six months of 1971.

B) To further research programs if item "A" is achieved.

The January issue of the "UFO Investigator" will contain a complete financial report for 1970. NICAP is your organization, and any questions concerning its operation are welcome.

On behalf of the Board of Governors, I want to thank NICAP members for their support during 1970, and for their continuing interest in the future of the organization.

*Deductible next year on your 1971 tax return.
