

in the 9,000 range, Eisenhower wrote in the 10,000 range, Ford was up to the 11,000 bracket, and Reagan got only into the 12,000 numbers. Executive Orders are numbered consecutively no matter who occupies the White House for reasons of continuity, record keeping, and to prevent confusion. The Executive Order is only 1 of several fatal flaws contained within the document. The plan so far has thrown the entire research community off the trail for several years and has resulted in the wasted expenditure of money looking for information which does not exist. It resulted in the total waste of a grant by the Fund For UFO Research of \$16,000 which was given to Stanton Friedman to research the information. Many thousands of man hours have gone into looking for a "red herring". If you doubt the secret governments ability to run you through the rose garden you had better think again.

Another contingency plan is in force and is working upon you today. It is the plan to prepare the public for eventual confrontation with an alien race. The public is being bombarded with movies, radio, advertising, and tv depicting almost every aspect of the true nature of the alien presence. This includes the good and the bad. Look around and pay attention. The aliens are planning to make their presence known and the government is preparing you for it so that there will be no panic.

The worst contingency plan has also been implemented and is at work right now. For many years now they have been importing drugs and selling them to the people and mainly the poor and the minorities. Social Welfare programs were put into place to create a dependent non-working element of our society. They then began to remove the social welfare programs in order to develop a large criminal class that did not exist in the 50s and early 60s. They encouraged the manufacture and importation of deadly military firearms for the criminal element to use. This was intended to foster a feeling of insecurity which would lead the American people to voluntarily disarm themselves by passing laws against firearms. Incidents were to be staged to speed up the process. By using drugs and hypnosis in a process called Orion on mental patients the CIA inculcated the desire in these people to open fire on school yards and thus inflame the anti-gun lobby. This plan is well underway and so far is working exactly as planned. This plan must not succeed.

Due to the wave of crime sweeping the nation they will convince the American people that a state of anarchy exists within the major cities. They are now building their case almost nightly on tv and daily in the newspapers. When public opinion has been won over to this idea they intend to state that a terrorist group armed with a nuclear weapon has entered the United States and that they plan to detonate this device in one of our cities. The government will then suspend the Constitution and declare Martial Law. The secret alien army of implanted humans and all dissidents, which
