

Commencement date for CUFOREN will be January 1, 1978. Therefore, the first report summaries will be mailed off February 1 for all the sightings you received from January 1 to January 31 inclusive.

Even though this is quite a large undertaking, if the network is successful, it could set a pattern for a complete world-wide network in which every person involved would have accurate knowledge of UFO activity across the globe, and the resolution of the UFO mystery would be close at hand.
