

February 12th, 1969.

Mr. Barry Mather, M.P.,
House of Commons,
Ottawa 4, Ontario.

Dear Mr. Mather:

Thank you for your letter of January 15th concerning the Michalak case. I want to congratulate you on your fine effort in the House on February 6th. I have studied the transcript in Hansard, and you certainly made good points. The papers missing from the file are still a puzzle, however.

You will probably be interested in the fact that I am submitting a brief on the subject of UFO investigation to the Senate Committee on Science Policy, as a private individual. The hearing will probably take place about May.

Yours sincerely,

Arthur Bray
