Dear Sirs:

I am writing in connection with my subscription to the
UFO Quarterly Review. I received only three issues of my
1973 subscription, the last being the July-Sep issue. Please
forward a copy of the Oct-Dec issue. *- Rec'd 10/5/74.*

As I seem to be overdue on my 1974 subscription, I have
enclosed a cheque for \$5.00 to cover this renewal. If the
Jan-Mar issue has already been mailed, please send a copy of this
to keep my set complete.

Thank you and keep up the good work.

Yours sincerely,

Arthur Bray
