Mr. Arthur Bray,
1187 Agincourt Road,
Ottawa, Ontario, Canada K2C 2H8.

Dear Arthur,

Thanks for letter of June 24th.

Apparently my letter to you of August 23rd 1972 must have gone astray and an enquiry at the Post Office showed that a money order for Aust. Dollar 15.00 has never been cashed at your end. Received the notification this week to that effect and herewith receipt. You will be notified at your end in about two weeks. Please let me know the receipt of the money and also clearance up of a discrepancy, raised already last year. Invoice 412 shows no discount, invoice 424 10%. I stressed this point last year, also I enquired as UFOIC as recognised bookseller receives from various publishers 25-33 1/3% discount you only gave us 10%, let me know if a higher discount applies.

Now at present the amount owing is dollar Canadian 32.40, the amount sent to-day should reduce this by appr. dollar 22.00, so let me please know the balance, which will be forwarded then right away. Thanks.

UFO-Wise here very quiet, but I am pretty busy with arranging Prof. Hynek's Australian tour. Allen will be here for a month middle of August.

In one of Magor's next magazines a short article by myself.

Retired a year ago, when 65, but busier now than before.

If you want to get rid of your last few copies, it is as I always stressed one of the very best ones on the UFO-Subject, let me know, feel sure Huyser in New Zealand would take them, if required.

So all the very best, trust to hear from you next month, regards.

Yours sincerely

William E. MOSER, J.P., F.R.A.S.
Vicepresident and Honorary General Secretary.
