

As time goes on, I am more and more perplex^{ed} of NICAP and handling of the situation in general by them.

I think it 's better to stick to A.P.R.O specially concerning investigations, NICAP gives the feeling of having only an american-UFO-Problem.

For ex. I have send more than 50 detailed investigations with signatures to them only one has been shortly mentionned and only because a Newspaper had picked the case up.
The article on Healing By Magnetic radiation has been send also to them, and so on.

Hoping to see you one day !

Yours very truly
