

E.W. - So - what's there to get all excited about? Why all the concern?

W.S. - I am not excited, just very concerned. Here, we are talking about a subject that the U.S. Government officially denies, even going to the extent of actually debunking the evidence and discrediting the witnesses. Then you sit there and say, "what's there to get all excited about?" and "why all the concern?"

Dr. Vannevar Bush, Dr. D.W. Bronk, and others thought it very important and were concerned enough to classify the subject Above-Top-Secret, infect the most highly classified subject in the U.S. Government!!

Did you ever hear of the "MJ-12 Group" and their "Project Majestic-12", which was classified as TOP-SECRET/MAJIC? I have a copy of President Elect D.D. Eisenhower's briefing paper on that Project, dated Nov. 18, 1952.

N. - Yes, I know of MJ-12. I have known of them for 40 years. I believe that you're chasing after and.
