REMARKS OF THE PRESIDENT TO FALLSTON HIGH SCHOOL STUDENTS AND FACULTY

Fallston High School
Fallston, Maryland

10:17 A.M. EST

THE PRESIDENT: Thank you, Alyson, and thank you all very much. Governor Hughes, Senator Mathias, Representative Bentley, and the representatives of the Board of Education, the administration, the faculty, and you, the student body -- believe me, it is good to be here.

4 -
safer and more secure for you and your children.

I couldn't but -- one point in our discussions privately with General Secretary Gorbachev -- when you stop to think that we're all God's children, wherever we may live in the world, I couldn't help but say to him, just think how easy his task and mine might be in these meetings that we held if suddenly there was a threat to this world from some other species from another planet outside in the universe. We'd forget all the little local differences that we have between our countries and we would find out once and for all that we really are all human beings here on this earth together.

Well, I don't suppose we can wait for some alien race to come down and threaten us. But I think that between us we can bring about that realization. Thank you all. God bless you all.
(Applause.)
