Dear Colman:

I had the pleasure of meeting Antonio Huneus while in Toronto at the MUFON UFO Symposium. He very kindly gave me a copy of your News Release dated April 12, 1982, in which you released to the press the NSC memo from General Schweitzer.

A few questions:

1. Did this get any press coverage in the U.S.A.?
2. If so, what was the reaction to it?
3. Would it be helpful if I now send this NSC memo to our Prime Minister and ask what is being done in Canada? (see your letter of January 16, 1982 to me).
4. I am puzzled by your rubber-stamped statement on your letters to President Reagan and on your News Release of April 12, 1982 about this information being suppressed and silenced by the international news media. Just what does this statement mean?

I look forward to hearing from you.

Yours sincerely,

Arthur Bray.
