

Physical Evidence

Physiological, as stated already. The tie-in between the physical evidence and the testimony of witnesses here, is that although the effects are there and medically-documented, and so cannot be doubted, it is the witness's testimony which links this to a UFO as the cause

Radar - explain

Physical traces - imprints, burned ground,
radiation in ground.

slide B-7 - burned ring in grass

slide B-4 - Soybean field - Van Horn, Iowa, 1969.
UFO seen previous night (circumstantial)

slide B-16 - Farmer Fuhr, Lengenburg, Sask, 1974 (5 rings).

slide B-8 - Delphos, Kansas (night) - glows in dark

slide B-9 - " " (day).
