Dear New Member,

Thank you for having joined APRO. We hope your membership with us will be a gratifying one. Enclosed you will find the current issue of The APRO Bulletin, the Organization's bi-monthly publication.

Please take note that the bulletin appears the month after the period indicated on the front page. For example, the January-February bulletin appears in March, but contains news pertaining to January-February. Thus, allowing for bulk-rate mailing in the U.S. (or slower surface mail to members in other countries) the January-February bulletin may not reach you until April.

Members may contribute articles for the bulletin concerning their research, investigations, theories or philosophy. APRO reserves the right to publish only what it considers adequate. Back issues of the bulletin may be obtained from APRO at 50 ¢ per copy. Bulletins currently available are:

1957 - Nov,
1958 - Jul,
1959 - Mar, Jul,
1960 - Mar, Jul, Sep, Nov,
1961 - Jan, Mar, May, Jul, Sep, Nov,

Future issues from 1970 will probably also be available upon request.

You may use the above as an order blank; simply circle the bulletins required and return with the corresponding fee, placing your name and address at the side. Make checks payable to APRO. Coral Lorenzen's first book, The Great Flying Saucer Hoax (William Frederick Press, 1962, 257 pages), is also available from APRO at \$4.45 postpaid. Make checks payable to Coral Lorenzen.

A membership renewal notice will be sent to you automatically after you have received the last bulletin to which you are entitled. This will be the only notice sent. If you have any questions, please do not hesitate to contact us. Thank you.

Yours sincerely,

L.J. Lorenzen
