

CONTINGENCY PLAN SHOULD THE INFORMATION BECOME PUBLIC OR SHOULD THE ALIENS ATTEMPT TAKEOVER.

This plan called for a public announcement that a terrorist group had entered the United States with an Atomic weapon. It would be announced that the terrorists planned to detonate the weapon in a major city. Martial Law would be declared and all persons with implants would be rounded up along with all dissidents and would be placed into concentration camps. The press, radio, and TV would be nationalized and controlled. Anyone attempting to resist would be arrested or killed.

CONTINGENCY PLAN TO CONTAIN OR DELAY RELEASE OF INFORMATION

This plan called for the use of MAJESTIC TWELVE as a disinformation ploy to delay and confuse the release of information should anyone get close to the truth. It was selected because of the similarity of spelling and the similarity to MJ-12. It was designed to confuse memory and to result in a fruitless search for material which did not exist.

I have information now (its about time) that the existence of Project Joshua has been confirmed. The weapon was developed and assembled at Ling Tempco Vought in Anaheim California. It was described to me as being able to totally level ANY man made structure from a distance of 2 miles. It was tested at White Sands Proving grounds. It was developed between 1975 and 1978. It is a long horn shaped device connected to a computer and amplifiers. LTV has since moved from its Anaheim facility which was near the Grand Hotel across the street from Disneyland.

I have also confirmed the existence of an alien craft at a hanger at Edwards AFB. The hanger is at North Base. It has been guarded by NON Edwards personnel (NRO - DELTA). The guards had a badge that was red with a black triangle on the face of the badge. No one was allowed near the hanger without the badge. These people are no longer guarding the hanger. The Edwards security force are instructed to check the hanger each hour and report status. The hanger is locked and no one is allowed inside. Edwards security personnel have been instructed never to enter the hanger even if it has been broken into.

I have also confirmed the existence of alien material at a hanger at Edwards AFB.
