Dear Arthur,

I am enclosing the latest publication of the Dept. of Education which I'm sure you will find most interesting. Your book is mentioned on page 15. rated with the best. Do you dare hope for stimulated sales?

Have you obtained a copy of V.F.O. & Related Subjects An Annotated Bibliography. A.F.O.R. 68-1656? Makes interesting reading & in my opinion well worth the price.

There has been very little action down this way pertaining to V.F.O. so I have been devoting my spare time to past incidents within a fifty mile radius of Rimouski. To my knowledge there has been eleven fights within a three year period, I'm sure there must be many others. Could you give me any assistance on fights within this period?

Please give my regards to your wife & my regrets to your Ottawa Roughriders on their forthcoming game.

Best Wishes

Frank McKay.

P.S. Any further information regarding Quebec power cut?
