UFOs - FACT OR FICTION?

My thesis - UFOs are entirely real.

I will set out to prove this by the available evidence. As my allotted time is very limited, I can only provide examples of available proof in each instance, but I think there will be sufficient to support my thesis.

I am well aware that this subject is treated with ridicule and derision by some people and I have faced a great deal of this in my thirty and more years of study of the subject. I appreciate that one must show some proof if one expects to be taken seriously.

We do not have a UFO in a
