

and William Moore are highly suspect.

I know that all of the major UFO research organizations were targeted for infiltration and control by the secret government just as NICAP was infiltrated and controlled. I believe that these efforts have been successful. It is very possible that the major UFO publications are also controlled.

Today MJ-12 still exists and operates just as it always has. It is made up of the same structure, 6 from the same positions in government, and 6 from the Executive members of the Council On Foreign Relations and/or the Trilateral Commission. The Majority Agency for Joint Intelligence is publicly known as The Senior Interagency Group (SIG).

In closing it is most important to understand that the Council on Foreign Relations and its offshoot the Trilateral Commission not only control but own this country. Long before World War II they were instrumental in helping to decide policy for the United States Government. Since World War II they have been the ONLY source of policy for the United States Government. The Council On Foreign Relations, the Trilateral Commission and their foreign counterparts report to the Bilderburgers. Almost every high level government and military official of any consequence since World War II including Presidents have been members of the Council on Foreign Relations and/or the Trilateral Commission. All American members of the Trilateral Commission has either been or is a member of the Council on Foreign Relations.

Each foreign nation of any importance has its own offshoot of the Council on Foreign Relations and the members of each country interact with those of other countries through the Bilderburgers to further their common goals. The foreign members of the Trilateral Commission belong to their respective organizations. Even a cursory investigation by the most inexperienced researcher will show that the members of the Council on Foreign Relations and the Trilateral Commission control the major foundations, all of the major media and publishing interests, the largest banks, all the major corporations, the upper echelons of the government, and many other vital interests. Their members are elected and appointed because they have all the money and special interests behind them. All, that is, except the peoples. They are undemocratic and do not in any way represent the majority of the United States of America. These are the people who will decide who survives the coming holocaust and who does not.

The Bilderburgers, the Council on Foreign Relations and the Trilateral Commission are THE SECRET GOVERNMENT and rule this nation through MJ-12 and the study group known as the Jason Society or Jason Scholars and the top echelon of the government which consists mostly of their members.
