

published regarding the ethereal nature of them and I think you should concentrate on this aspect.

I regret that I cannot permit my name to be used in connection with U.F.O.'s as Naval regulations prevent me from making public statements or releasing writings, etc. without approval from higher authority. Were it not for these regulations, I would gladly permit use of my name.

I wish your organization all success in achieving your objectives.

Yours truly,

(A.R. Bray)
