Dear Mr. Bray,

Thank you very much for sending us a copy of your book on unidentified flying objects. You might be interested to know that on Tuesday February 20th at 8 p.m. on the CBC FM network we will be doing one program on UFO's and another on the following week at the same time on February 27th. This is in the program series IDEAS which is doing a six weeks study of 'Space'. We are not limiting ourselves to outer space but are considering inner space, urban space, cosmology and so on. I enclose a copy of our publicity for your perusal.

I will deposit your book in our reference library so that it will be available to anyone doing research for programs on UFO's.

Yours truly,

PW:sj
