Dear Arthur:

I inclose you two copies of the News World's Sunday UFO Supplement. Abduction case from Poland, what I showed you in Ottawa. Much more important that Norway has so a strong UFO flap that the scared population requested military protection against the UFO activity!!!! (Feb. 26 issue page 7.)

You may find also Barry Goldwater letter to a German UFO researcher. Important is his statement as far the UFOs origin. It is the same as the US AF statement on January 26, 1953. See Green Memo page 22.

One of our color photograph is also included.

Yesterday I mailed a Potential Threat Package to Peter Gersten, Attorney at Law who is in action against the US government against the UFO cover up and like to use our ACE documents. A concentrated action is everywhere to open the door before it is too late...

Friendly yours,

Colman

PS.: Attila is in Germany for two weeks on mathematics and UFO reconnaissance.
