Mr. Arthur Bray,

Dear Mr. Bray,

Thank you for your letter dated November 28, 1969.

The closing date for the award is December 31, 1969. However, if we are notified beforehand, entries will be accepted up to the time of judging.

A panel of three judges will select the best entry, or what they consider to be the best entry. I enclose our January-February 1969 Bulletin which contains further information. Dr. J. Allen Hynek and Dr. Thornton Page are two of the judges involved.

Also enclosed is our July-August Bulletin and a membership Application Form should you wish to join APRO. However, this is not mandatory for you to enter into the award contest.

I have been meaning to order your book for some time. I am interested in the hardbound edition. I forget how much this costs, but if you care to send me one I will send you a check by return.

Yours sincerely,

Richard Greenwell
Assistant Director.
