

- a CIA report No. 00 - W - 24955, of 8/1/53 classified "Restricted Security Information" and "Declassified by Executive Order of the President of the USA 10501 - see DAD 3-9"
Subject: Comment of Rumanian Jewish Communist Newspaper on Elzing Sancer incidents, reporting f.s. in Israel.
 This communist propaganda magazine article says all f.s. are "more or less an invention of Wall St. propaganda".
- Another CIA report, No. 00 - W - 25291, C.D. No. A 3189.3 dated 9/2/53 (3 pages), provides reports of f.s. from French West Africa, Algeria, Corsica, France & W. Germany.
- Minutes of some of the Second Story meetings including the sixth, held on 22/2/54 (1 1/3 pages) (This checks out as being the one I reported on in my book, which I held a draft of.)
- Note: All SCMP reports have been removed
- A memo dated 8/10/58 states "DAD file 3500-10-1-1 (3 vols) contains a large number of sighting reports dated back to 1947"
- My letter to PM Lester B. Pearson of 5/12/64 (photo copy) plus internal memos and the reply to me. One memo states that the reply is a "stock answer" used for some time.
