

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

16 DEC 1974

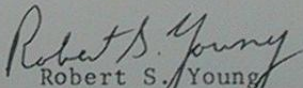

Mrs. Charles K. Druffel
257 Sycamore Glen
Pasadena, California 21105

Dear Mrs. Druffel:

In response to your letter of 3 December 1974, I am pleased to advise you that this Agency can provide you with a declassified copy of the report, consisting of 28 pages, of the findings of the Robertson Panel on UFO's. The Agency charges a standard fee of \$.10 per page for reproduction. If you wish to have the report copied and sent to you, please forward your check or money order for \$2.80 made payable to the Treasurer of the United States.

I call your attention to the sanitized version which appears on pages 905-919 of Scientific Study of Unidentified Flying Objects, published by Bantam Books, YZ4747, 1969. That version may be satisfactory for the preparation of the TV documentary on UFO's. However, should you prefer the complete version, the Agency will be glad to be of service to you. If you opt for the latter, it will not be necessary to forward a stamped, return addressed envelope with your request.

Sincerely,

Robert S. Young

Records Management Officer
