

IN ADDITION

A record:

UFOs: THE CREDIBILITY FACTOR, Lee Spiegel (Columbia House, 1975)

The voices of Astronauts Cooper and McDivitt, Betty Hill, Major Coyne, Major Duich and Patrolman Wheeler describe their sightings. Comments by Hynek, Keyhoe, Saunders, Friedman and Wood as well as Congressman Roush furnish an additional perspective. It is impressive to hear.

A manual:

MUFON FIELD INVESTIGATORS' MANUAL (Second edition, 1975, edited by Ray Fowler, 132 pages)

How to establish a reporting network, assemble a field-investigator's kit, and investigate general and specialized types of UFO sightings (physical traces, reports of entities, photographic evidence, etc.). Star maps and a Bright Planet Location Chart are included.

Symposium proceedings:

THESIS/ANTITHESIS, Proceedings of an American Institute of Aeronautics and Astronautics Symposium. (Sept. 1975, 146 pages)

The theme, "Hypotheses Concerning UFOs;" the speakers were Friedman, Hassel, Hynek, Lawson, McCampbell, Sorenson, Vallee and Wood, with an article by James MacDonald on the RB-47 radar-visual sighting over Texas. The bound, illustrated proceedings include a session on "A Future to Create."
