Mr. Arthur Bray,

Ontario, Canada, K2C, 2H3.

Dear Arthur,

Thanks for letter of 11th inst. and am glad that all financial matters are settled now, once more apology for delay.

If you can't sell the last four copies, let me know, but the number is so small so there should be no trouble. Will keep your name certainly on our complimentary list for publications. Thanks also for wishes re BAA-Presidency.

Was elected fellow of Royal Society some weeks ago too and had a small park 200 yards from my home named after me, Moser-Reserve, for work done for local government for 25 years. B.G. fun in my old age, was 66 last Monday, but do not feel it so far. Gave also this year so far 52 talks on Astronomy, Space & UFO-Matters. Sold 36 copies of Hynek's book, UFO-Experience. Talks with Hynek, Sagan and an old friend Bart Bok were highly interesting.

Hope to hear from you sometime, when you can do so, every letter will be answered as in the past. Regards for now.

Yours sincerely

William E. MOSER, J.P., F.R.A.S.
