Committees Branch,
The Senate,
Ottawa, Ontario.

Dear Sir:

Enclosed is one copy of a brief for submission to the Special Committee on Science Policy. This brief is titled "Science, Society and the UFO" and has been prepared by myself as a private individual.

This brief is submitted in original only as you assured me on the telephone some time ago that you would arrange for all printing of necessary copies required, at public expense. I understand this includes copies for distribution to the Parliamentary Press Gallery, and that you will distribute these.

I would appreciate the opportunity to appear in person at the hearing.

Yours truly,

Arthur R. Bray
