

So, although the air forces of the world publicly say they are no longer interested in UFOs, they have to investigate the moment they first appear on radar screens. They cannot do otherwise despite their denials.

Here is proof that they have, for decades, seen and investigated UFOs:

SHOW & QUOTE Dept. of Defense Letter to Henry Holt Co.
of 26 Jan. '53

SHOW USAF reports (ex FOIA) re UFOs over SAC

bases in USA & Canada - jet interceptions

scrambled.
