Mr. S A

Dear Mr. A

The subject of UFOs is one that has interested me for some long time. About ten or twelve years ago I made an effort to find out what was in the building at Wright Patterson Air Force Base where the information is stored that has been collected by the Air Force, and I was understandably denied this request. It is still classified above Top Secret. I have, however, heard that there is a plan under way to release some, if not all, of this material in the near future. I'm just as anxious to see this material as you are, and I hope we will not have to wait too much longer.

WATER

Sincerely,

Barry Goldwater
