Dear Mr. Cannon:

Thank you for your letter of May 1. I have written to Dr. Millman and I have enclosed a copy of my letter for your file.

I will do my utmost to obtain anything useful from these files. I am pleased that you wrote to me, as I am happy to assist in this respect. Also, Dr. Millman confirmed that the former DND files are now in the possession of NRC. This is very useful to me personally, as I am in DND myself as you know. However, this is a long story and perhaps someday I can relate it all to you.

The happenings at Colorado did not really surprise me. It is really the inevitable outcome considering the ingredients that went into it. I am convinced that my prediction on p 157 of my book is in the process of being proved accurate.

I will write you again after I have viewed the NRC files. Thanks for the comments concerning my book.

Sincerely,

Arthur Bray
