Dear Mr. Bay,

Please find enclosed a copy of the summary of Mrs. Carol White's investigations of U.F.O. reports in the Hamilton Ontario area.

A four page report on the Suffern case in Bracebridge was submitted to us by Mr Mike Richards of Downsview. Since it was so similar to the summary in the the Jan. 1976 'BULLETIN', Mike agreed that it was not necessary to forward this on.

I have no information regarding project S.U.M.

There is a new U.F.O. group in Toronto called U.F.O. Research Center; Ontario. This is a standing committee of the Toronto Society for Psychical Research headed by Dr. George Owen and his wife Iris. The U.FO group is under the chairmanship of Mr. Henry McKay. The group proposes to be a focus of U.F.O. research in Ontario and is evidently closely affiliated with Dr. Hynek's group in the United States. If you wish to obtain their Newsletter write P.O. Box 427, Station F, Toronto. M4Y 2L8. This information is not to be construed as my endorsement of membership in the group.

We have not received new reports of U.F.O. sightings and have no information to pass on at this time.

Please find enclosed literature and application forms that you might find useful in handing out to the general public on appropriate occasions. New copies are available from A.P.R.O.

Yours Sincerely,

Bob & Audra Hudek
