Dear Art:

It is my pleasure to serve you our Second Presidential
action at Ronald Reagan and the Pentagon.

Result of the first Memo:

Regan became silenced and the Pentagon at once prohibited
to declassify any further UFO documentation.

Our other victory:

On the basis of ICUFON presented hard core documentation
Sen. William Proxmire stopped for the NASA-SETI program the yearly
\$ one million budget.

We have already one answer to Paris on our first Memo to
the President. It is selfdiscriminative to the USAF. We are expecting
by all means the answer to us.

As our third action 5 nations' military forces missiles
are directed to the White House proving the endangered international
security.

Friendly yours,
