Arthur Bray, 1187 Agincourt Rd, Ottawa, K2c 2H8 Canada

Dear Arthur: There was indeed an error in our address machine. Not only did you receive a bulletin destined for Aune Carelius, but Aune did not receive any at all. There error as usual was mine, and while I can make no excuses, I believe that there can be no system of zip codes more confusing ever invented that the letter-number-letter, number-letter-number of the Canadian Post Office. By the time I have finished a batch of addresses, I do not really know that anyone will receive anything.

Many thanks for pointing out the error, and

Best Regards, Bob Marsland, for APRO
