Dear Mr. Bray,

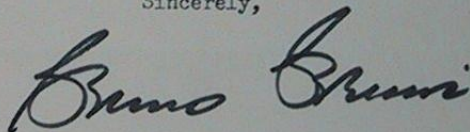

Thank you so much for your letter and comments on our UFO interview with Dr. Millman.

I certainly agree with you that the lack of knowledge on this phenomenon is regrettable, and I commend you on your undertaking to write a book about it.

We have put your letter on file, and I hope to have a look at your book as soon as possible.

Thanks for listening - hope you'll keep it up!

Sincerely,

A handwritten signature in dark ink, appearing to read 'Bruno Gerussi'. The script is fluid and cursive, with the first name 'Bruno' and last name 'Gerussi' clearly distinguishable.

Bruno Gerussi.
