Dear Dr. McNamara:

I don't know whether you are aware that Dr. Hynek has just recently undertaken the publishing of a scientific journal on UFOs. It is titled "International UFO Reporter". A copy is enclosed for your information.

If N.R.C. is not at present subscribing to this new journal, you may wish to initiate a subscription. It is a really worthwhile publication. The cost is \$12.00 yearly, and it is published monthly. The first issue came out in November, 1976.

Yours sincerely,

Arthur Bray.
