Re: Your Ltr. 11/30/78 (J. Oberg, Hynek)

Dear Wido:

Thanks for your welcome letter and accompanying information. Your letter to Al Porterfield has been forwarded as requested.

Another carefully guarded secret about Jim Oberg is that he is a captain on active duty with the USAF, on loan to NASA.

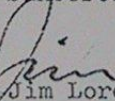

Hynek was in town a few days ago to visit me, and I must say in confidence, and in candor, that,

I look forward to receiving the translation of the CE II case mentioned.

I'm glad that UFO Quebec is realizing the success it deserves.

Best wishes for the Holiday Season!

Sincerely,

  
Jim Lorenzen
