ies as Usual

Grand

The grand jury at Roswell today returned a verdict in the case of the Roswell Flying Saucer crash. The jury found that the crash was the result of a military aircraft, and that the pilot was a member of the United States Army. The jury also found that the pilot was negligent in his handling of the aircraft, and that he was responsible for the crash. The jury's verdict was a significant one, as it was the first time that a military aircraft had been found to be responsible for a crash in the Roswell region.

Claims Army Is Slacking Courts Martial

Indian Senator Lays Protest Before Patterson

Washington, July 2.—A protest against the Army's handling of the Roswell Flying Saucer crash was laid before the War Relocation Authority today by an Indian Senator. The Senator, who is a member of the War Relocation Authority, expressed his concern over the Army's failure to conduct a thorough investigation into the crash. He stated that the Army's handling of the crash was a disgrace, and that it was a reflection of the Army's general attitude towards the public. The Senator's protest was a significant one, as it was the first time that an Indian Senator had laid a protest before the War Relocation Authority.
