Once again we promise to send you a complete report of our findings. We have at our office a "slot-type" mail box. If you feel the material will not fit, please send it to my home address: Paul J. L. Rozich
1819 Railroad Street
Alliance, Ohio 44601

Thank you for your time and cooperation and thank you for all the: interest, time, and patience that you have shown in the analysis of the metal. Your dedication is to say the least very commendable and admirable.

We, here at UFORA, hope that we can help you solve the mystery of "Ottawa's Mysterious Chunk of Hardware". God Bless.

Respectfully yours,

Paul J. L. Rozich
