August 14, 1968.

The Chairman,  
Science Council of Canada,  
110 Argyle Avenue,  
Ottawa 1, Ontario.

Dear Sir:

Reference is made to my letter of February 20, 1968 concerning my book "SCIENCE, THE PUBLIC AND THE UFO", receipt of which was acknowledged by your Secretary on March 7, 1968.

Would you please advise me if your Council has any information in connection with my book which might be of interest to me, the author.

Yours truly,

Arthur Bray.
